## Commissioner for Patents

Pursuant to the order returning the un-docketed appeal to the examiner on 7/6/2005 due to the fact that the examiner did not initial the last page of the examiners answer, the examiner has made the appropriate correction by initialing the last page of the examiners answer mailed 9/8/2004. Furthermore, the case was returned to the Art unit on the grounds that although on December 23, 2003, appellant filed a paper entitled "Notice of Appeal". Although the "Notice of Appeal" authorized that payment of any fees which may be required, or credit any overpayment to Deposit Account No. 50-0644, the fee for the Appeal Brief have not been charged. Subsequently, the correct charge was documented on 12/07/2005. Therefore, this case in condition to be returned to the board for docketing.
